

The 10kg washer 6kg dryer Combi with OKOMix technology, ProSense, Woolmark Blue accredited (Wash&Dry), ProSteam and 1600rpm spin speed.

Product Details

FEATURES

Wash and dry in one go	10kg wash capacity for large washes	Woolmark Blue Approved by The Woolmark Company for washing even your handwash only woollens.	6kg drying capacity
Woolmark Blue Approved by The Woolmark Company for drying even your handwash only woollens.	OKOPower The OKOPower program will Wash & Dry 5kg of laundry in only 4 hours	Steam Refresh Quickly refresh your garments without the need for washing	XXL Door The new XXL glass door has a larger opening, which makes loading and unloading laundry seamless.
Aqua Control System Automatically shuts off the water inlet if a leak is detected in the hose.	OKOInverter Motor Similar to professional machines, the OKOInverter brushless inverter motor is quieter and can extend the working life of the motor whilst using less energy.		

BENEFITS

Every fibre cleaned and protected
Advanced OKOMix technology blends detergents and then softeners with water before they enter the drum. This ensures that every fibre is cleaned and cared for with the right mix of detergent, even for shorter cycles. Every thread, every stitch, every fibre, expertly protected.

Dual technology for sensitive care
Dualsense technology offers different programs to different types of fabrics. Lower heat and controlled movement mean that everything from delicates to outdoor wear can be carefully washed and dried in one go. Both washing and drying cycles are certified by Woolmark Blue to safely clean even hand-wash only woollens in one process. For outdoor wear, a dedicated wash cycle cleans and protects technical fabrics to preserve their textures over time; and a dedicated dry cycle works to restore water repellency.

Caring for clothes, saving water and energy

ProSense technology intelligent sensors optimises and displays the estimated wash time within 30 seconds of starting the wash cycle. Whether it is a few shirts or your entire weekly laundry, the wash time, water and energy consumption adjust to ensure they are only washed for the exact amount of time required. This ensures that fabrics suffer less wear and tear, maintaining colour and texture.

Keeps your clothes looking and feeling impeccable

The steam refresh program enables you to refresh your garments without washing with detergent and water. This ensures less wear and tear on fibres so they can maintain their look and textures for longer.

The gentle way to care for wool

The Woolmark Blue certification in both washing and drying will treat each item in the gentlest possible manner, meaning you can safely wash and dry all of your hand wash woollen garments.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Front Loader Type	combination front loader and dryer
Design family (eline)	P One
Capacity (Kg)	10
Frontloader Wash system	Advanced Wash Technology,OKOMix

DRYER

Capacity (Kg)	6
---------------	---

ENERGY FOR WASHING

Energy Star Rating	5
Energy Consumption Warm (KWhr/yr)	240
Water efficiency star rating	4.5

DIMENSIONS

PRODUCT

Total height (mm)	850
Total width (mm)	600
Total depth (mm)	631
Depth with hoses (mm)	660

DRYING PROGRAMS

Drying Programs	timed programs, auto sensing
-----------------	------------------------------

ENERGY FOR DRYING

Energy Star Rating	3
Energy Consumption (KWhr/yr)	229
Water consumption (litres)	55

ENERGY FOR WASHING

Water consumption (litres)	86
Noise level dBA	51

WASH PROGRAMS

Number of Programs	10
Frontloader Wash programs	Delicate,synthetics,Cotton,steam refresh,OutDoor,OKOPower,rinse,Drain & Spin,Cottons Eco,Wool
Wash options	wash temperatures,Prewash,spin selection,Delay Start,Quick wash,Extra Rinse
Dispenser	pre-wash dispenser,Powder or liquid detergent dispenser,Fabric softener dispenser
Wash and Dry Programs	Cottons,Synthetics
Wash and Dry options	Time Dry,Dryness Level

BOWL

Drum material	stainless steel

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
