

**1220mm Stainless Steel Outdoor Canopy Rangehood**

## Product Details

### FEATURES

---

304 commercial grade stainless steel

3 speed fan control plus turbo setting

Conversation friendly operation noise

---

### BENEFITS

---

Twin fan powerful extraction. Minimise grease and smoke when cooking on your BeefEater barbecue. Featuring powerful twin motors for intense extraction at 3 different fan speeds, plus a turbo mode for those extra smokey cooks.

Stainless steel baffle filters  
No fuss, easy to clean stainless steel baffle filters saves you time on scrubbing to ensure efficient running of the rangehood.

---

Remote control  
Have the option and convenience to control your rangehood, without having to get up thanks to the included remote control.

54 dBA noise level  
The high performance, low noise electric motors offer strong absorbing suction for the elimination of grease, smoke, and other unwanted air particles around the cooking area.

---

## Specifications

### PRODUCT PROFILE

---

Domestic warranty details (yrs)	2
---------------------------------	---

---

Type of Rangehood	wall mounted canopy
-------------------	---------------------

---

Nominal width (cm)	1220

---

Design Family (Beefeater)	ProLine
---------------------------	---------

---

Suitable for outdoor undercover use	Yes
-------------------------------------	-----

---

### DIMENSIONS

---

Total product height (mm)	1077
---------------------------	------

---

### MOTOR/FAN

---

Number of fans	2
----------------	---

---

Number of fans speeds	4
-----------------------	---

---

Variable speed control	Yes
------------------------	-----

---

Auto off	No
----------	----

---

Type of motor	centrifugal
---------------	-------------

---

Auto fan timer	Yes
----------------	-----

---

Maximum airflow M3/Hr	2300
-----------------------	------

---

Noise level dB high	67
---------------------	----

---

Noise level dB low	54
--------------------	----

---

Number of motors	2
------------------	---

---

Wattage of motor	260
------------------	-----

---

### POWER

---

Electricity supply required (Kw)	220-240
----------------------------------	---------

---

## DIMENSIONS

---

Total product width (mm)	1220
--------------------------	------

---

Total product depth (mm)	730
--------------------------	-----

---

Diameter of ducting (mm)	200
--------------------------	-----

---

Minimum installation height from cooking surface Gas (mm)	1200
---	------

---

Minimum installation height from cooking surface Electric (mm)	650
--	-----

---

Flue cover depth (mm)	400
-----------------------	-----

---

Flue cover width (mm)	632
-----------------------	-----

---

Telescopic flue	Yes
-----------------	-----

---

Product Weight (Kg)	51
---------------------	----

---

## CONTROLS

---

Control panel	electronic push button
---------------	------------------------

---

Safety/ display indicators	automatic safety cut off
----------------------------	--------------------------

---

LED speed display	No
-------------------	----

---

Removal front fascia	No
----------------------	----

---

## POWER

---

Connection plug	10
-----------------	----

---

## FILTERS

---

Number of filters	6
-------------------	---

---

Type of filter	stainless steel baffle
----------------	------------------------

---

Dishwasher safe	Yes
-----------------	-----

---

### CONTROLS

---

Hob2Hood function	No
-------------------	----

---

Remote control	Yes
----------------	-----

---

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
