BENEFITS

AirFry for that perfect, crunch
When a food craving hits, make healthier and delicious food right in your oven with minimal oil. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family right in your oven.

Twin fan system for even cooking
Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

Triple zone, for pots of different sizes
Whether youre using your smallest pan or your larger pot theres an extra large cooking zone to handle them all. With the ability to adjust its diameter into three sizes, this unrivalled flexibility gives you the freedom to create your best meals yet.

Easy touch-on glass control
Total control is at your fingertips with a simple touch on the easy-clean glass control panel.

Designed for ease and safety

Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.

All the room for all your family favourites

If you are serious about creating delicious family feasts and you love entertaining, you'll be right at home with our 90cm oven with a generous 125L gross capacity. That's plenty of room for the biggest Christmas turkey or a weekend roast for all the family. The extra width makes getting things in and out super easy.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
