

# Profile Connector

## Vitreous China 4.5/3 litre Dual Flush Connector Cistern

A new generation in water saving technology sanitaryware product, the **Profile Connector** cistern uses Caroma Smartflush technology to deliver a 4.5/3 litre dual flush vitreous china cistern. The Profile cistern is an integrated system comprising of cistern with high performance outlet valve, seat and plastic connector plate, which conceals the flush pipe and water connection.

**Cisterns: Profile** (wall fix version) – has a free fitting lid and is suitable for domestic and light commercial applications. **Vandal Resistant Conversion Kit** – A simple to install conversion kit is available for the standard mechanism to lock lid onto the cistern, recommended for use in heavy use commercial areas.

**Inlet Valve Overflow: Standard Bottom Entry Cistern** – available as right hand inlet which is interchangeable and incorporates Quietflow inlet valve. Internal overflow only.

**Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant.**

**Matched Pans:** The cistern is suitable for use with the following matched Caroma 4.5/3 litre pans: **Concorde** or **Trident Connector**.

**Installation:** Refer to *Important Information for Plumbers* section.

**Colours:** White only.
